ADVANCED NURSE PRACTITIONER

Our Advanced Nurse Practitioner is a Registered Nurse who has done extra training and academic qualifications to be able to examine, assess, make diagnoses, treat, prescribe and make referrals for patients who present with problems.

You can pre-book appointments to see her by contacting reception.

GENERAL PRACTITIONER

48 hour appointments can be made by contacting reception at 8am to arrange an appointment for two working days later

Pre-booked appointments can also be made at any point by contacting reception

Telephone appointments are only arranged to discuss test results at the request of the GP

Repeat medical certificates can be requested by contacting reception. If the GP requires to see you, reception staff will contact you to advise this (provided we have a current contact telephone number)
